

Our wine list was created by award-winning sommelier Andres Aragon. Blaq restaurant showcases the best produce of the Blue Mountains, and with that in mind, we have curated a wine list that celebrates the Blue Mountains and beyond.

Blaq's wines express the beauty, diversity and terroir of the iconic New South Wales wine sub-regions. We source new and exciting producers from the state, older vintages from classic NSW regions and, where applicable, we have highlighted producers that follow organic, biodynamic or sustainable farming practices.

Come have fun exploring our ever-evolving list.

Chin chin, friends!
